ITA 24/2025

3. Admit on the following substantial questions of law:-
 - A. Whether in terms of section 90(2) of the Act, the applicable income-tax rate on dividends paid by the Appellant to its non-resident shareholder i.e., Peri Mauritius would be 5% (inclusive of surcharge and cess) as per Article 10(2)(a) of the Double Taxation Avoidance Agreement between India and Mauritius instead of 15% (plus surcharge and cess) as provided for in section 115-O of the Act for

Assessment Year 2013-14?

B. Without prejudice, whether the Tribunal erred in not appreciating that since in view of Article 23(4)(b) of the Double Taxation Avoidance Agreement between India and Mauritius, levy of dividend distribution tax was specifically covered within Article 3(1)(d) of the Double Taxation Avoidance Agreement between India and Mauritius, therefore, the lower rate of tax i.e., 5% (inclusive of surcharge and cess) as provided for under Article 10(2) of the Double Taxation Avoidance Agreement between India and Mauritius should apply instead of 15% (exclusive of surcharge and cess) as provided under section 115-O of the Act?
