### **Factual Background**

3. The Petitioners in the present petitions are claiming rights in respect of land bearing *Khasra Nos.*315 (3-10), 343(4-16) and 344/1 (4-09), Village Pul Pehladpur, New Delhi. It is their case that they have rights through late Sh. Bunda, who was their *predecessor in interest*. It is claimed that the name of Sh. Bunda is reflected in the land records, including *Jamabandi* as also *Khasra Girdawri* in respect of the said *Khasra Nos.*315 (3-10), 343(4-16) and 344/1 (4-09), Village Pul Pehladpur, New Delhi.

4. A Notification under Section 4 of the Land Acquisition Act, 1894 (*hereinafter*, 'Act, 1894') was issued on 23<sup>rd</sup> January, 1965 in respect of *Khasra Nos.*315, 343 and 344/1, for acquisition of the land. This was followed by a notification under Section 6 of the Act, 1894, which was issued on 13<sup>th</sup> January, 1969.

5. Subsequently, a writ petition being ***C.W.P. No. 3266/1982*** was filed wherein *vide* order dated 14<sup>th</sup> September, 1982, the following interim relief was granted:

*“The petitioners will not be dispossessed of the land in question till the next date. Dasti.”*

6. Thereafter, Respondent No.2- Land Acquisition Collector (*hereinafter*, 'LAC') passed ***Award No. 63/1982-83*** dated 31<sup>st</sup> January, 1983 (*hereinafter*, 'the Award') for acquisition of large tracts of land in Village Pul Pehladpur, New Delhi. *Khasra Nos.*315, 343 and 344/1 were part of the land acquired *vide* the said Award.

13. The legal heirs claiming rights through late Sh. The said three writ petitions and the details thereof are relevant and set out below:

S. No.	Petition No.	Title
1	W.P.(C) 7716/2014	MOHD. MAQBOOL & ANR. Versus GOVT. N.C.T OF DELHI & ORS.

14. The aforesaid three writ petitions were disposed of by the Co-ordinate Bench of this Court *vide* order dated 11<sup>th</sup> April, 2017 following the decision of the Supreme Court in ***Pune Municipal Corporation & Anr. v. Harakchand Misirinal Solanki and Ors. (2014) 3 SCC 183***. On the basis of the said judgment, it was held that the land acquisition proceedings in respect of the land admeasuring *Khasra Nos.315 (3-10), 343 and 344/1* had lapsed. The order dated 11<sup>th</sup> April, 2017 is extracted as under:

*“ The brief facts are that the suit lands were covered by the Notification under Section 4 of the Act issued on 10.11.1960; declaration under Section 6 was published on 06.01.1969. Notices were apparently issued to the land owners and the suit lands were covered by Award No.63/1982-83. Apparently, the petitioner had approached this Court and challenged the acquisition. The Court had directed maintenance of status quo and required the respondents to not dispossess the petitioners. The petitioners submit in these circumstances that since the possession was not taken nor was compensation paid, the acquisition had elapsed.*

***It is also submitted that the judgment in Pune Municipal Corporation and Anr. v. Harakchand Misirimal Solanki and Ors. (2014) 3 SCC 183 and the other subsequent judgment of the Supreme Court which have examined the effect of absence of provisions similar to the proviso to Section 11A and Section 6 of the Land Acquisition Act, 2013 is pending consideration before the larger three Judge Bench.***

*The respondents, i.e., LAC in the counter affidavit*

*avers that the lands were acquired for the purpose of land development of Delhi and that substantial parts thereof was in fact taken over after the Award on 04.03.1983. It is also stated that only the lands covered in Khasra No.315 (to the extent of 3-10) could not be taken over because of the interim order made by this Court. The respondents also contend that the possession of lands which were taken over was made over to the DDA for development.*

*As far as compensation is concerned, the position of the GNCTD is that for two Khasras, i.e., Khasra Nos.331 and 341, the payments were made to the petitioner. It is submitted that with respect to Khasra No.315 (to the extent of 3-10 bighas), the amounts were remitted to the Court of the ADJ under Section 30/31. As far as Khasra nos.343 and 344 are concerned, it is stated that the lands belonged to the custodian; consequently, there was no question of depositing compensation.*

*It is evident from an overall reading of the materials on record that as to the nature of possession, and payment of compensation, the petitioners are clearly entitled to reliefs in respect of Khasra no.315 (to the extent of 3-10 bighas) as well as Khasra nos.343 & 344. Though, the respondents have stated and averred in the pleadings that Khasra Nos.343 & 344 belong to the custodian, neither Notification under Section 4 nor the declaration under Section 6, nor indeed the Award, disclosed the ownership. **On the other hand, this Court in a previous order in respect of the identical land Khasra no.343 ( 4-16) to the extent of 1/17<sup>th</sup> share had directed release in the following terms in Rajan Shanna & Ors. vs. Government of NCT of Delhi & Ors., (W.P.(C) 8416/2014, decided on 07.04.2015):-***

*"1. The petitioners seek the benefit of Section*

24(2) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (hereinafter referred to as 'the 2013 Act') which came into effect on 01.01.2014. A declaration is sought to the effect that the acquisition proceeding initiated under the Land Acquisition Act, 1894 (hereinafter referred to as 'the 1894 Act') in respect of which Award No. 63/1982-83 dated 31.01.1983 was made, inter alia, in respect of the petitioners' land comprised in Khasra Nos. 337 (4-16), 340 (4-16) and 343 (4-16) measuring 14 bighas and 8 biswas (1/17th Share) in all in village Pul Pahladpur shall be deemed to have lapsed.

4. As a result, the petitioners are entitled to a declaration that the said acquisition proceedings initiated under the 1894 Act in respect of the subject land are deemed to have lapsed. It is so declared.

5. The writ petition is allowed to the aforesaid extent. There shall be no order as to costs."

**The judgment of the Supreme Court in Pune Municipal Corporation and Anr V. Harakchand Misirimal Solanki and Ors. (2014) 3 SCC 183 and the other judgments that have followed it, i.e.,**

(1) Union of India and Ors v. Shiv Raj and Ors: (2014) 6 SCC 564;

(2) Sree Balaji Nagar Residential Association v. State of Tamil Nadu and Ors:\_ Civil Appeal No.8700/2013 decided on 10.09.2014;

(3) Surender Singh v. Union of India & Others: WP(C) 2294/2014 decided on 12.09.2014 by this Court; and

(4) Girish Chhabra v. Lt. Governor of Delhi and Ors: WP(C) 2759/2014 decided on 12.09.2014 by this Court.

*are clear in that the declaration in the acquisition proceedings so far as they pertain to Khasra no.315 (3 Bigha 10 Biswas) and 343 & 344 are deemed to have elapsed. So far as the question of inability of the State to take over possession on account of pendency of proceedings and stay orders is concerned, the law as it exists is clear and has been enunciated in the judgment cited by the petitioners. In the event of any change, doubtlessly, the respondents would be entitled to the relief in accordance with law. ""*

15. In terms of the above order, it can be seen that the Coordinate Bench had followed the decision in ***W.P.(C) 8416/2014*** titled ***Rajan Sharma & Ors. v. Government of NCT of Delhi & Ors.***, wherein *vide* order dated 7<sup>th</sup> April, 2015, in respect of other lands of Village Pul Pahladpur, the lands had been released, since the acquisition proceedings initiated were deemed to have lapsed.

16. The order dated 11<sup>th</sup> April, 2017 was challenged by the Government of NCT of Delhi and Delhi Development Authority (*hereinafter*, 'DDA') in ***SLP (C) Diary No.3245/2022*** titled ***Govt. of NCT of Delhi v. Shakruddin & Ors.*** along with ***SLP (C) Diary No.32513/2021*** and ***SLP (C) Diary No. 30218/2021***. *Vide* order dated 29th September, 2022, the Supreme Court directed as under:

*"Delay condoned.*

*Leave granted.*

*Feeling aggrieved and dissatisfied with the impugned common judgment and order dated 11-04-2017 passed by the High court of Delhi at New Delhi in Writ Petition (Civil) Nos. 8912/2014 and 573/2015, by which the High Court has allowed the said writ petitions preferred*

*by the respective respondents/original writ petitioners and has declared that with respect to the land in question, the acquisition proceedings have lapsed under section 24 (2) of the Right to Fair compensation and Transparency in land Acquisition, Rehabilitation and Resettlement Act, 2013, the Government of NCT of Delhi and the Delhi Development Authority have preferred the present appeals.*

*It is not in dispute and even from the impugned common judgement and order passed by the High Court, it is apparent that while disposing of the respective Writ Petitions, the High court has heavily relied upon the decision of this court in the case of Pune Municipal Corporation & Anr. vs. Harakchand Misirimal Solanki & Ors. (2014) 3 SCC 183 and further decisions following the decision in the case of Pune Municipal corporation (supra).*

**However, it is required to be noted and it is not in dispute that the decision of this Court in the case of Pune Municipal corporation (supra) has been overruled by the Constitution Bench decision of this Court in the case of Indore Development Authority vs. Manoharlal and others, (2020) 8 SCC 129.**

*There are serious disputes with respect to possession taken over as well as the compensation. From the material on record, it appears that the litigation was pending and there was an order of status quo with respect to some portion of the acquired land. All these factual aspects are required to be considered by the High Court on the basis of material on record and/or the material that may be produced on record.*

**In view of the above, we are of the opinion that the impugned common judgment and order passed by the High Court to be quashed and set aside and the matters**

to be remanded to the High court to decide the same afresh in accordance with law and on its own merits and considering the observations made by this Court in the case of Indore Development Authority (supra) and/or any other decision (s) which may be placed before the High court because there is subsequent decision on the order of Status quo.

In view of the above and for the reasons stated hereinabove, the impugned common judgement and order passed by the High Court is hereby quashed and set aside. The matters are remanded to the High Court to decide and dispose of the Writ Petitions afresh in accordance with law and on its own merits and in light of the decision of the Constitution Bench of this court in the case of Indore Development Authority (supra). It will be open for the respective parties to file additional material on record on the possession and/or the compensation and/or even the order of status quo and/or pending litigation, which may be considered by the High Court in accordance with law and on its own merits.

The present appeals are allowed to the aforesaid extent and stand disposed of accordingly. No costs.”

17. In terms of the above order, the Supreme Court observed that the judgement in **Pune Municipal Corporation (supra)** had been set aside by the decision of the Supreme Court in **Indore Development Authority v. 20. Thus, in respect of writ petitions being *W.P.(C) 573/2015* titled '*Jan Mohammad v. Govt. of NCT Delhi and Ors.*' and *W.P.(C) 8912/2014* titled

*‘Shakruddin and Ors. v. Govt. of NCT Delhi and Ors.’* the matter was remanded by the Supreme Court *vide* order dated 29<sup>th</sup> September, 2022.

21. However, in respect of *W.P.(C) 7716/2014* titled *‘Mohd. Maqbool and Anr. v. Govt. of NCT Delhi’* the land acquisition proceeding was upheld and the Supreme Court *vide* order dated 17th May, 2024, in *DDA v. Tejpal (Supra)* passed the direction to the effect that the possession of the land would be taken. The relevant portion of the said order reads as under:

*“80. Having condoned the delay and upon grant of leave and after perusing the material on record, we find that the cases which form part of the appended "List E.2" are squarely covered in favour of the appellants in terms of Manoharlal. While it may not be feasible to give detailed analysis of each of these cases, suffice it would be to show the same illustratively. For instance, in SLP (C ) Diary No. 19172 of 2019, titled "DDA v. Vijay Mohan", while the possession was admittedly not taken, compensation was paid on 9-8-2005. Accordingly, the test laid down in Manoharlal has been met and the acquisition proceedings cannot be deemed to have lapsed under the 2013 Act.*

*81. All such civil appeals are accordingly allowed, the impugned judgment of the High Court in each case is set aside, and the acquisition of the respondents' lands under the 1894 Act is consequently upheld. This will, however, not preclude the respondents from recovery of the compensation amount, if not already paid or to the extent it is not paid, along with interest and other statutory benefits under the 1894 Act. Similarly, they shall be at liberty to seek reference under Section 18 of the 1894 Act in accordance with law. The Government of NCT of Delhi and its authorities are directed to take physical possession of the lands falling under this category (i.e. "List E.2"), if not already taken and continue uninterruptedly to complete the public infrastructure projects.”*

22. In the interregnum, another fact deserves to be noted. Proceedings in a reference petition under Section 30 and 31 of the Act, 1894 were initiated before the Id. District Judge being **LAC No. 51/2016** titled **Union of India v. Gaon Sabha Pul Pehladpur**. Vide order dated 22<sup>nd</sup> December, 2018, Id. District Judge came to the conclusion that all the legal heirs of late Sh. Bunda were illegal occupants of the land and late Sh. Bunda was also an illegal occupant. The relevant portion of the order dated 22<sup>nd</sup> December, 2018 is set out below:

*“29. Though, as per Khasra Girdawari for the year 1965-66 Ex.IP4AW1/4, the contesting IPs were in unauthorized/illegal occupation of the acquired land after vesting of the same in Gaon Sabha Mehrauli, these IPs however were not evicted from the said land by Gaon Sabha. Assuming the best in favour of IP No.1 Gaon Sabha i.e. that IP No.4 & 5 were not cultivating the acquired land since part of the same was uncultivable, Khasra Girdawari for the year 1965-66 establishes the possession of IP No.4 & 5 over Khasra No.315 though illegal. However, it is important to again note that despite being illegal occupants, IP No.4 & 5 were not evicted by Gaon Sabha which seem to be the reason for their possession in Khasra No.315 as depicted in Khasra Girdawari.”*

*30. IP No.21 i.e. Hamdard Dawakhana in its claim submitted that it had purchased the land in question vide different sale deeds. However, no evidence has been led to prove these sale deeds. No other IP has led any evidence to prove his entitlement over any other Khasra numbers which are the subject matter of this reference.*

*31. As already highlighted, evidence was led by only 3 IPs i.e. IP No.1, legal heirs of IP No.4 and legal heirs of IP No.5. Legal heirs of IP No.4 & 5 led their evidence*

*in support of their claim over Khasra No.315 only and did not raise any claim over the other Khasra Numbers in their examination-in-chief. As per the revenue record relied upon on behalf of IP No.4 and IP No.5, in Khasra Girdwari for the year 1965-66, a small part of the land in Khasra No.315 was shown to be cultivable whereas the remaining land was mentioned to be Gair Mumkin. **No document has been filed by legal heirs of IP No.4 or IP No.5 on record to show their ownership over the said acquired land. Witness on behalf of legal heirs of IP No.4 only claimed that they were cultivating a part of Khasra No.315 i.e. 3 bigha 10 biswa which was in their possession whereas witness on behalf of the legal heirs of IP No.5 deposed that they were carrying out mining in 145 bighas of land and, were cultivating the rest. There is no proof that legal heirs of IP No.5 ever carried out mining on Khasra No.315. It is patent that deposition of witness on behalf of IP No.5 was tailored to meet the entries i.e. Ex.IP4AW1/ 4 wherein it has been mentioned that out of 155 bigha of Khasra No.315, 145 bigha was being used for mining.***

*32. IP No.1 Gaon Sabha on the other hand claimed compensation qua all the 6 khasra numbers i.e. 310, 311, 312, 313, 314, 315 & 318. **The evidence led by IP No.1 and also by legal heirs of IP No.4 & 5 i.e. Khatauni and Khasra Girdawari clearly show Gaon Sabha to be the tenure holder while Fateh Mohd and others S/o Bunda as illegal occupants***

*33. In the peculiar facts of the case at hand, since only possession of IP No.4 & 5 stands established on a part of Khasra No.315 but which also is illegal as per revenue record, in the understanding of the Court, IP No.4 & 5 are held entitled to a share in the compensation by assuming that since they have never been evicted by IP No.1 Gaon Sabha, they must have been engaged in some economically gainful activity on*

*the acquired land. Consequently, they are held entitled to receive 20% of the compensation amount for the cultivable part of Khasra No.315 i.e. 10 bigha 5 biswa which is to be shared equally by the legal heirs of IP no.4 and legal heirs of IP No.5. As a corollary, IP No.1 is held entitled to 80% of the compensation awarded by the LAC in respect of cultivable area of Khasra No.315 i.e. 10 Bigha 5 Biswa, entire compensation for the uncultivable area i.e. 145 Bigha 13 Biswa of Khasra No.315 and whole of the compensation in respect of the other Khasra Numbers.”*

The above order clearly holds that they were in unauthorised occupation and only due to the fact that they were not evicted, the name of Bunda Singh was reflected in the revenue records.

23. The aforesaid order dated 22<sup>nd</sup> December, 2018 was challenged by some of the legal heirs of Late Sh. Bunda in **LA. APP. 26/2019** titled '**Sh. Babu (since deceased) Thr Lrs v. Union of India and Ors.**'. In the said appeal, vide order dated 27<sup>th</sup> February, 2019, this Court had granted an interim order only in respect of the compensation. The said order reads as under:

*“Learned counsel for the respondent no.1 is present on advance notice.*

*Initial submissions have been made on behalf of the petitioner.*

*Notice of the appeal and of the accompanying applications CM.APPL.No.9604/2019 & CM.APPL. No.9606/2019 is accepted on behalf of the respondent no.1 and notice thereof be issued to the respondent nos. 2, 5 & 6 stated to be the only IPs granted relief vide the impugned judgment dated 22.12.2018 by the learned ADJ -02, South in LAC No.51/16 on taking of steps by*

*the petitioner through all permissible modes, process returnable for 14.05.2019.*

*Response, if any, of the respondent no.1 be filed before the next date of hearing.*

**Till the next date hearing, the release of the payment awarded in terms of the impugned judgment dated 22.12.2018 is stayed.”**

24. The aforesaid appeal is stated to be pending before the Id. Single Judge of this Court.

**Submissions**

25. Ms. Neha Kapoor, Id. Counsel appearing for the Petitioners has made the following submissions:

- (i) Ld. Counsel submits that the DDA had a duty to disclose before the Supreme Court in ***DDA v. Tejpal (Supra)*** that the Supreme Court had remanded the matter in connected petitions *i.e.*, ***W.P.(C) 573/2015*** titled '***Jan Mohammad v. Govt. of NCT Delhi and Ors.***' and ***W.P.(C) 8912/2014*** titled '***Shakruddin and Ors. v. Govt. of NCT Delhi and Ors.*** *vide* order 29<sup>th</sup> September, 2022. Thus, it is submitted that DDA has committed perjury by not disclosing the true facts.
- (ii) She also submits that pursuant to the remand order of the Supreme Court, dated 29<sup>th</sup> September, 2022, this Court would have to examine each case on its own merits. Further, since possession of some portion of land admeasuring *Khasra Nos.* 315 had not been taken and neither the compensation had been paid, the land acquisition should be held to have been lapsed.
- (iii) Reliance is also placed upon the order passed by the Supreme Court in

*Civil Appeal No.8526/2016* titled '*DDA v. Rajan Sharma*', which was tagged with a case titled '*DDA v. Veena Mahajan*' bearing *Diary No.10069/2021*', wherein the Supreme Court, *vide* order dated 11th December, 2024 had passed a direction that within one year from the date of the order, the authorities shall complete acquisition proceedings.

- (iv) According to her, since the order dated 11<sup>th</sup> April, 2017 had followed the decision in *Rajan Sharma (supra)*, the order dated 11<sup>th</sup> December, 2024 of the Supreme Court ought to enure to the benefit of the Petitioners in respect of *Khasra No.343*.

26. On the other hand, Ms. Manika Tripathy, Id. Standing Counsel appearing for the DDA and Id. Counsel appearing for LAC submits that in *SLP(C) Diary No. 28141/2021* titled '*DDA v. Mohd. Maqbool and Ors.*', the Award which is under challenge in these petitions, has been upheld fully and the land acquisition has also been upheld. Therefore, no relief is liable to be granted in these petitions.

27. Additionally, it is also submitted that by order dated 22<sup>nd</sup> December, 2018 passed by the Id. District Judge, legal heirs of late Shri Bunda have been held to be illegal occupants, consequently, the Petitioners would have no locus to challenge the impugned award.

28. Id. Counsel for the Petitioners also submits that the decision in *DDA v. Tejpal (Supra)* would not apply to the Petitioners. It would only apply, if any, in case of the share of Mohd. Maqbool. It is also submitted that the clarification which has been sought in *W.P.(C) 12543/2024* deserves to be granted.

29. Id. Counsel for Respondent No.4 in *W.P(C) 6194/2024* submits that

an affidavit has been filed by the Deputy Conservator of Forest (South), Department of Forest and Wildlife, stating that certain land forming part of Khasra No.315 has been notified as a ridge reserve forest vide two Notifications dated 24th May, 1994 and 2nd April, 1996.

30. In fact, it is the stand of the Deputy Conservator of Forests (South), Department of Forest and Wildlife that the Petitioners have encroached upon a forest land. Relevant portion of the said affidavit is extracted below:

**“8. That it is pertinent to mention here that the total area of Khasra no. 315 is 155 bigha 18 biswa out of which 155 bigha 13 biswa of Village Pul Pehladpur, New Delhi was declared as “Reserve Forest Area” pursuant to Section 4 of the Indian Forest Act, 1927 vide notification no. F 10(12)-1/PA/DCF/93/2012-17(1) dated 24.05.1994. Further that the area 03 bigha 5 biswa of khasra in question was also notified as Ridge Reserve Forest vide notification dated 02.04.1996. The copy of the notification No.F10(12)-1/PA/DCF/93/2012-17(1) dated 24.05.1994 and notification No. F 1(29)- 1/PA/DC/95/dated 02.04.1996 is annexed herewith as Annexure - A (Colly)**

**9. That pursuant to Sections 5 and 9 of the Indian Forest Act, 1927, no right accrues in favour of any person with regard to any Reserved Forest, unless the said right is claimed before the Forest Settlement Officer, and all other rights are extinguished. That the Petitioner has not established any such rights before the Forest Settlement Officer for the land in question and therefore, cannot claim the same for any area within a reserved forest.**

**10. That it is submitted that the Petitioners have acted dishonestly, fraudulently and out of avarice from the very beginning. It is submitted that the Petitioners have encroached the khasra in question which is a proposed**

*forest land and the petitioners are trying to usurp the part of government land which was duly placed in the hands of answering respondent. Copy of the map showing the encroachment is annexed herewith as Annexure-B.”*

31. Ld. Counsel for the Petitioners submits that if the Notifications dated 24th May, 1994 and 2nd April, 1996, declaring the land as forest land is relied upon, the DDA did not have any locus to challenge the order passed by this Court dated 11<sup>th</sup> April, 2017 before the Supreme Court. This submission is refuted by Id. Counsel for the DDA.

32. Further, Ld. Counsel for the Petitioners also submits that Notifications dated 24th May, 1994 and 2nd April, 1996 declaring the land as forest land were never brought to the notice of the Supreme Court.

33. Ld. Counsel for the DDA submits that the DDA was, in fact, the main beneficiary of the acquisition and SDM had transferred the land to the forest department.

### **Analysis and Findings**

34. The Court has heard the Id. Counsels for the parties and perused the records. The impugned Award in the present three petitions is the same as in the case of **DDA v. Mohd. Maqbool and Ors. (supra)**.

35. The Petitioners cannot claim to have separate rights, inasmuch as Mohd. Maqbool and the Petitioners are similarly placed, being legal heirs of Late Sh. Bunda. The manner in which the Petitioners herein seek to distinguish themselves from Mohd. Maqbool would not be tenable.

36. Even if the cases are taken to be one of remand, on facts, the Court has perused the order dated 22<sup>nd</sup> December, 2018 passed by the District Judge, which has been extracted above. The said order is clear to the effect that late

Sh. Bunda was himself an illegal occupant of the land.

37. The locus of the Petitioners has been defended by Id. Counsel for the Petitioners on the basis of the fact that when order dated 11th April, 2017, was passed, no issue relating to the Petitioners' locus was raised, either by the DDA or the LAC. However, this would not be the correct position, inasmuch as those three writ petitions *i.e.*, **W.P.(C) 7716/2014**, **W.P.(C) 8912/2014**, **W.P.(C) 573/2015** were disposed of on the basis of the decision of the Supreme Court in ***Pune Municipal Corporation (supra)*** and at that stage, there was no occasion to go into the interest of the Petitioners in the land itself.

38. Thus, the order dated 11th April, 2017, cannot operate as *res judicata* in respect of the persons who do not have interest in the land and are illegal occupants.

39. Additionally, the findings of the District Judge *vide* order dated 22nd December, 2018 are absolutely clear. According to the Petitioners, the said order was filed before the Supreme Court with the counter affidavit, when the order dated 29th September, 2022 was passed – however, the same does not appear to have been brought to the notice of the Supreme Court at the time of remand.

40. Even if it is taken as its best, the order dated 22nd December, 2018 would be required to be considered post the order dated 29th September, 2022 passed by the Supreme Court, where the directions are clear to the effect that individual cases would have to be considered afresh. Taking this position into consideration, the findings of the District Judge that the Petitioners are illegal occupants of the land and the *predecessor in interest* late. Sh. Bunda was also an illegal occupant, goes to the root of the matter.

41. So long as the finding in the pending **LA. APP. 26/2019** is not

disturbed, in the opinion of this Court, the present writ petitions would not be maintainable.

42. Moreover, the possession of land, insofar as *Khasra Nos.*343 and 344 has already been taken, which is also recorded above. The Id. Counsel for the Petitioners claims that her right would be restricted to 3 *bighas* 10 *biswas* of *Khasra* No.315, where the Petitioners are in possession. If the Petitioners are in possession and are persons interested, at best, they may have a right to seek a share in the compensation in proceedings before the LAC.

43. The acquisition of land cannot be held to have lapsed as the same has been upheld by the Supreme Court *vide* the judgement dated 17th May, 2024 in *DDA v. Mohd. Maqbool and Ors. (supra)* and most of the land possession has already been taken over by the Government. Additionally, a substantial amount of compensation also stands deposited. Thus, the prayer for holding that the acquisition has lapsed is not tenable.

44. Accordingly, the Petitioners are relegated to avail of their remedies in respect of compensation in accordance with law.

45. The present petitions are disposed of in these terms. Pending applications, if any, are also disposed of.
