14.4. Provisions for limitation governing online e-filing will be the same as those applicable to the physical filing. The period of limitation for such actions will commence from the date when e-filing is made as per the procedure prescribed in these Rules.

### **15. Procedure for Filing Caveat**

All caveats can be filed on-line. In so far as the High Court is concerned, the procedure is set out in **Appendix– VIII**. As regards the District Court, as and when the application is made available, the relevant procedure to be followed shall be notified by the Administrator.

## **16. Hard Copies of Pleadings and Documents filed Electronically**

Advocates, as well as parties, may print hard copies of all pleadings and documents filed electronically for their use in the court or elsewhere. The Registry will wherever required to prepare hard copies for official use.

## **17. Storage and Retrieval of e-Filed Documents and Pleadings**

E-filings will be stored on an exclusive server maintained under the control and directions of the High Court / E-Committee. Each such filing will be separately labelled and encrypted to facilitate easy identification and retrieval. The security of such filings will be ensured. Access to e-filings would be restricted in the manner provided herein above and as may be notified from time to time. For continuity of operations in case of disaster, natural calamity or breakdown, a mirror image of e-filings available on the servers located in the Court may be maintained at different geographical locations, as decided from time to time by the High Court / E-Committee.

Provided for marking electronic records as exhibits in the course of the trial, the protocol set out in **Appendix IX** shall be followed qua the Actions instituted in the High Court. As regards the District Court, as and when the application is made available, the relevant procedure to be followed shall be notified by the Administrator. However, the mere assigning of a unique number to the electronic record will not amount to the authentication or proof of such electronic record. Nothing in these rules shall be construed as dispensing with the proof of the electronic record as required under the law.

## **18. Residuary provisions**

18.1. The e-filing made by an Advocate/litigant in person will be rejected if they do not follow the protocol mandated by these Rules or practice directions.

18.2. Subject to such further directions as may be issued, it would not be obligatory on the part of the opposite party to accept pleadings and documents by email. In such an eventuality, hard copies of pleadings and documents will have to be provided to the opposite party. In such circumstances, the plaintiff/ petitioner can be called upon to deposit the charges calculated based on the number of pages per defendant/respondent which are required to be photocopied. This facility will be provided by the Registry on a written request being made by the defendant(s)/respondent(s).

18.3. The Registry will communicate the objections, if any, regarding the cases filed by email/SMS/web hosting to the concerned Advocate/litigant in person. After the objections are cleared the case will be processed for listing and the Advocate/litigant in person will be informed including by email/SMS.

## **19. General Caution**

Email is not a secure medium of communication. Any communication transmitted by email can be intercepted or read by a third party. An Advocate or litigant in person

seeking to transmit confidential or sensitive document/material shall approach the Registry for requisite assistance/advice.
